NOTES:  
Total is not the sum of the columns. Citywide groups that are active in neighborhoods are included in the Baltimore City number  
See the EXPLANATIONS after this table for calculation considerations and definitions of these Vital Signs  
\* To the extent possible, none of the groups in the Neighborhood Groups category are repeated  
\*\* Data not currently available. Parks and People are still conducting a survey of community gardens in Baltimore.  
\*\*\* Healthy Neighborhoods are the neighborhood and not the CSA. For a full description of each of the Healthy Neighborhoods please go to: <http://www.healthyneighborhoods.org/>
